

# Karaoke CD/Cassette Player/Recorder

Model 2595AV

1. CD player and variable speed cassette player ideal for school enrichment and activities
2. 20 programmable CD tracks for program flexibility
3. Two microphone inputs for individual or small group activities
4. Ten Watt amplifier powerful enough for groups up to 100 people and can also serve as a public address system
5. Separate bass and treble controls for optimal audio quality
  - LCD CD program display
  - Stereo headphone jack
  - Includes dynamic microphone (not shown)
  - One year warranty for school uses - unlike units purchased from consumer electronics stores whose warranties would be voided if used in schools

Bring real music making to the classroom with clear, powerful sound. Our Karaoke Player/Recorder has a built-in speaker and convenient carry handle and vocal changer to mute vocal tracks. It can also be connected with an NTSC monitor, video cameras or computers for enhanced audio presentations.

## "Project Intercept"

Please contact us immediately if you have any questions or difficulties with your Karaoke player. Our "Project Intercept" customer service program will quickly repair or replace items under warranty. Simply contact us via phone or email [rilane@califone.com](mailto:rilane@califone.com).

Visit our website at [www.califone.com](http://www.califone.com) to learn more about the complete line Califone® audio products including: Wireless public address systems, headphones & headsets, wireless mic systems, group listening centers, multimedia players and computer peripheral products.

We are proud of helping teachers enhance student understanding and achievements since 1947, with your satisfaction as our first priority.

The 2595AV carries a one-year warranty and service support available through authorized dealers nationwide.
